**THIS IS ME \* NEW YEAR PLANS POSTER**

## **LEADER'S GUIDE**

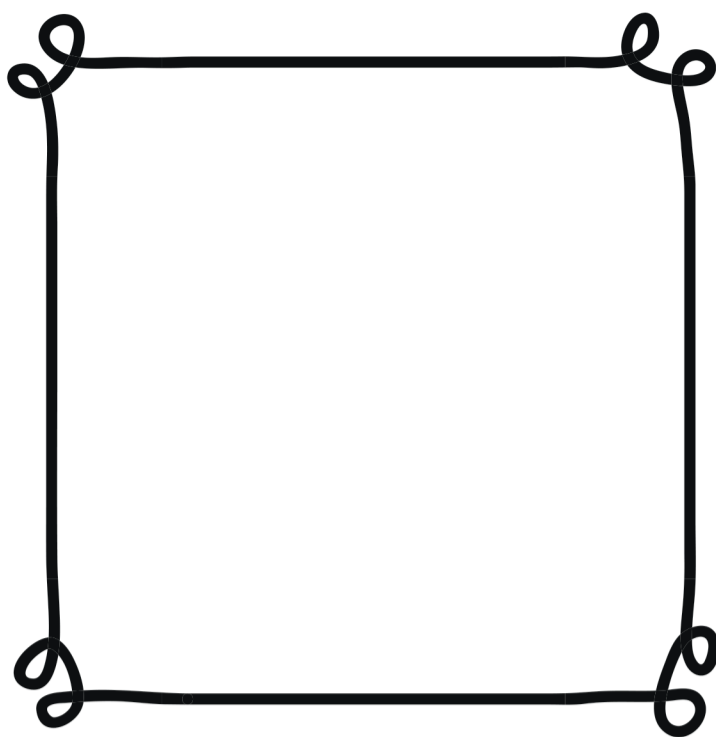

**This school holiday pack is about gently prompting children to reflect on and consider the coming year, and invite God and faith to be part of it!**

**All you need to do to prepare is...**

- 1. Print a copy of following poster page for each child/pack. We HIGHLY recommend printing these as an A3 if possible.**
- 2. Assemble a set of art supplies for each pack – you might like to consider having a variety of pens etc. available. Definitely include something with a fine tip though, as some of the spots on the poster to write/draw are kinda small! Felt, colouring pencils, Jovis, ballpoint pens would all work great!**
- 3. Invite the children and families to take these posters home and hang them somewhere special – somewhere they can keep thinking about what they wrote/drew and adding to it!**
- 4. Afterwards, we really encourage you to consider praying with children/families about the coming year and what they've included in their poster. This could be after your church gathering, or perhaps part of home visits you (and the wider congregation) make as you encourage, and show up for, families transitioning back to school!**
